1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the various methods used to collect and analyze data, ensuring that the information is reliable and up-to-date.

2. The second part of the document focuses on the implementation of the proposed changes. It details the steps involved in the rollout process, from initial planning to final execution. This section also addresses potential challenges and provides strategies to overcome them, ensuring a smooth transition for all stakeholders.

3. The third part of the document provides a summary of the key findings and conclusions. It highlights the overall impact of the changes and the lessons learned from the process. This section also includes recommendations for future actions and a timeline for implementation.

4. The final part of the document is a conclusion that reiterates the importance of the changes and the commitment of the organization to continuous improvement. It expresses confidence in the success of the initiative and the positive impact it will have on the organization's performance.

AD LECTOREM BENIVOLVM
P R A E F A T I O.

Quandoquidem dura fati miseria cunctos indiscriminatim in tumulum urget ; idcirco ad opellam hanc sepulchrorum monumentis refer- tam animum adplicere deliberavi . Neutiquam enim nobis blandiri oportet neque parvulis , neque adolescentibus ; neque crudis , neque decrepitis ; neque validis , neque imbecillis : serius , ocyus ; velimus , noli- mus ; sine ulla exceptione , sine ullo ordine huc veniundum est omnibus . Quapropter inter tot , tantosque per se notos hujusce aevi florentissimi viros mihi aequo Iove amicitia junctos , non unos , seu Fortunae vi , seu insita modestia delitescen- tes , ab ultimo interitu vindicare , & quasi e Libitinae faucibus eripere stat sententia . Nemo igitur

igitur mihi vitio vertet, quod vel vivorum cip-
pos titulo notare nullus dubitaverim. Ecquem
enim latet, Virgilium, Ovidium, Tibullum,
Sannazarium, aliosque eximios viros adhuc in
vita sibi de ^(sic) Epitaphiolo prospexisse? Hinc in
vetustis marmoribus ad nauseam usque legere
est: VIVVS . SIBI . DE . SEPVLCHRO . PRO-
VIDIT VIVVS . VIVAE . FECIT
ne sexcenta alia proferam, quae singillatim nunc
enumerare otium non suppetit. Huc accedit,
quod si quid apud Manes est oblectaneum; illi
tamen absunt, nec nobiscum colloquuntur: cum
vivi e contrario nobis reponant, & de quantula-
cumque sepulchrali memoriola in nos grati esse
videantur. Quod si quis tandem, ut illud etiam
addam, imbecillitate quadam nativa cogitandi
praeunte, ac ficulneo prorsus ingenio, mali omi-
nis, & obnuntiationis deliramenta sectetur; aper-
tis dicam tibiis, minus de isto laborans, quam
de ranis palustribus, cum nihil sane morabor,
& sedulus incumbens operi, superstitiosam ve-
luti aniculam, nequaquam verebor. Vale.

Adm. Reverend. Dom. D. Andreas Farina S. Th. Professor²⁴
revideat, & in scriptis referat. Die 16. Aprilis 1780.

JOSEPH ROSSI CAN. DEP.

EXCELLENTISS. AC REVERENDISS. DOMINE

EMmanuelis Campolongo Viri Clarissimi *Amicabile*, seu potius Admirabile *Sepulcretum* eo successu, Te jubente, perlustravi, ut non modo ad Euripidis opinionem de rara Amicorum post funus constantia non abierim; verum & inspectis quaquaversum omnis generis virtutum exemplis, melior multo, & ad urgendam verae gloriae semitam alacrior exinde recesserim. Hinc nullus dubito, quin omnes prorsus, si libere illuc adventandi veniam dederis, magnum inde adjumentum ad morum honestatem consecutandam, multa cum jucunditate sint percepturi.

Rev. P. D. Emmanuel Caputo in hac Reg. Studiorum Universitate Professor revideat autographum enunciati operis, cui se subscribat, ad finem revidendi ante publicationem, num Exemplaria imprimenda concordent, ad formam Regalium ordinum; & in scriptis referat. Neap. die 14. mensis Septembris 1780.

MATTHEUS JAN. ARCH. CARTHAGIN. C. M.

S. R. M.

Attente perlegi librum, qui titulum praefert *Sepulcretum Amicabile* a Clarissimo Viro Emmanuele Campolongo Collega meo elucubratum. In eo percurrendo praeter scribendi copiam, qua ingenium suum Auctor mirum in modum ostendit, ipsius maxime consilium sum admiratus. Humanitatis enim, ac Religionis officia erga Amicos sive jam mortuos, sive adhuc viventes, quam maturime explere cupiens, Cenotaphium paene excitat; quod sub typis dedicare (si hoc verbo liceat uti) petit, ut in aeterna basi amicabile monumentum collocatum, perpetuo factum testumque servetur. Cum interim superscriptum Opus nihil habeat, quod Regiis juribus adversetur; hinc edi posse censeo. Datum ex Monasterio Ss. Severini, & Sosii, die vigesima Mensis Nov. An. 1780.

P. D. Emmanuel Caputo Benedictinus

Publicus Diplomaticae Professor.

Die 10. Mensis Januarii 1781. Neapoli.

Viso rescripto suae Regalis Majestatis sub die 30. Mensis Octobris praeteriti anni 1780., ac relatione Rev. P. D. Emmanuelis Caputo de commissione Rev. Regii Capellani Majoris, ordine praefatae Regalis Majestatis, Regalis Camera Sanctae Clarae providet, decernit, atque mandat, quod imprimatur cum inserta forma praesentis supplicis libelli ac approbationis dicti Rev. Revisoris; verum non publicetur, nisi per ipsum Revisorem facta iterum revisione affirmetur, quod concordat servata forma Regalium ordinum; ac etiam in publicatione servetur Regia Pragmatica: hoc suum.
